1. Safety and security

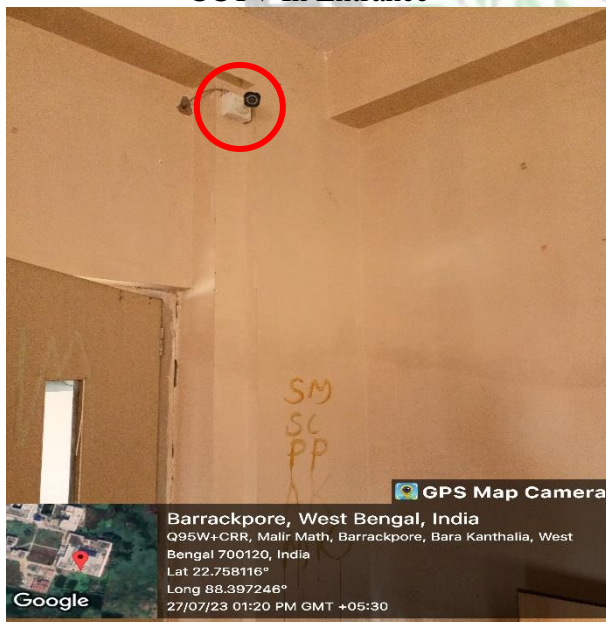

The institute emphasizes more on the safety and security of students and staff. The important places in the institute such as the Main entrance, Examination halls, canteen, classrooms, laboratories and corridor are under CCTV surveillance. The securities are deployed at strategic locations. Institute has made it mandatory for everyone to wear Identity cards on the college campus. An exclusive parking zone is provided for girls and female staff as a safety measure. The contact number and Toll-free helpline numbers of the nearby police station are displayed on the Notice board. As a general safety feature fire extinguishers are strategically placed on the campus.

3. Counseling

Annual report on Girl student's counselling session organized by ICC & Grievance Cell
(2022-2023)

Purpose of Counselling

- To help the girl students work out a plan for solving their difficulties.
- To help the girl student know their interests, abilities and available opportunities.
- To encourage special talents and develop the right.

Girl students counselling is an important regular activity in the college which is aimed at encouraging and nurturing girl students to excel in academics and to help them for their overall development. This activity provides support and guidance for academics. Respective cell departmental coordinators faculty counsellor is allotted for departmental girl students counselling sessions each year. Girl students are encouraged to express their views and suggestions for academic and other improvements in the college. The Head of the departments takes necessary actions to implement their valid suggestions. Other concerns that are discussed at the time of counselling are academic pressures (Lack of concentration and motivation for studies, under achievement, backlogs, exam stress, and unhealthy competition) homesickness, peer pressure, and low confidence and self-esteem.
